We Spend Our Time

It's time to sing

FOREWORD

Because it plays such an important part in the life of every Ouachita student, TIME has been chosen as the theme for the '52 Roarer.

On these pages we have attempted to show to some extent how our time in these halls is spent—from our arrival in the morning until the closing bell rings.

However, our day does not end with the last bell, for often we find the buildings and community buzzing with student activity long after school has been dismissed.

ATHLETICS . . .

COACH JIM HODGINS

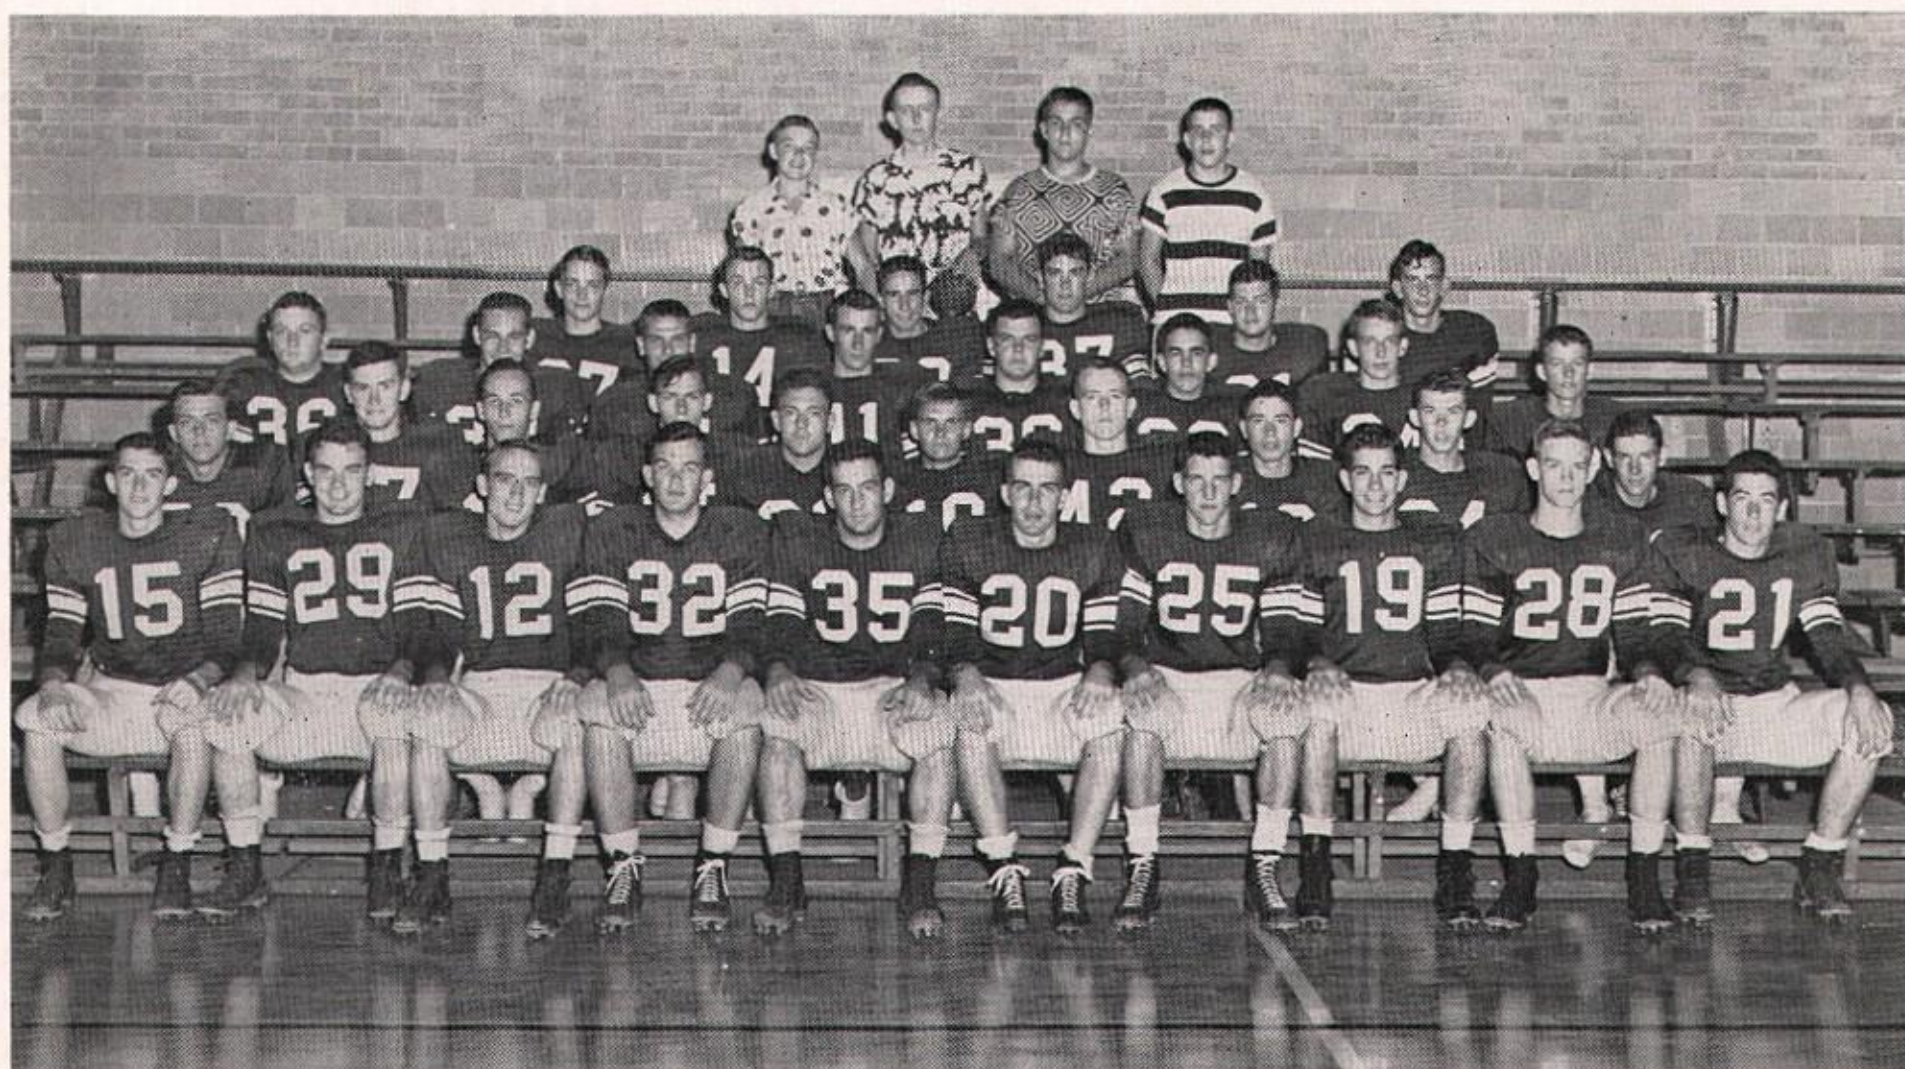

The 1951-'52

Coach Jim Hodgins opened his '51 gridiron season with one of the most inexperienced teams in the history of Ouachita. As the season progressed, however, the team showed amazing improvement, and, though given cellar rating at the beginning of the season, finished ninth in the state with a grand total of 174 points to their opponents' 144. The "persimmon-green" team, as one sports writer put it, had been "ripened by frost."

Football Squad

Front row, left to right—Norman Goza, Gene Muckleroy, Jerry Sikes, John H. Odom, Billy Watson, Bob Curry, Charles Dortch, Edwad Estep, Ralph Bailey, Doyle Holstead.
Second Row, left to right—Pete Johnson, Paul Smith, Billy Fleming, John Harold, W. D. Perkins, Charles Greer, Jim Lawrence, Ike McMullen, Charles Puckett, E. C. Roark.
Third row, left to right—Johnny Mitchel, Paul Fleming,

Mickey Rawls, Tom Rainer, Billy Levie, Bobby LaCaze, Lytle Matkins, Jackie DuPriest.
Fourth row—Delbert Wheeler, Frank Mobley, Bennie Franklin, Rodney Cannon, Jimmie Berry, Gene Greer.
Standing—Harry Recoulley, James Moore, Kenneth Miller, Randolph Cage, managers.

Football Season

One upset followed another. The Lions first thrilled Ouachita fans by defeating heavily favored Byrd High School 26-25. They then put on another great exhibition in defeating Baton Rouge High in the annual homecoming game. The Lions showed that they were potential champions by defeating the Pine Bluff Zebras, Arkansas State Champions, 33-13. This victory earned for Coach Hodgins' boys the title "unofficial champions of Arkansas and Louisiana."

The 1952

As the Lion Cagers closed the 1951-52 season, the records show that they had completed one of the best seasons in recent years. Under Coach H. H. Holliman, assisted by Lake Oxford, the Lions were winners in 20 of the 27 games played.

This year for the first time all North Louisiana AA teams were organized into a conference with the two top teams qualifying for the state tournament. Ouachita made a 6 won, 2 lost record to tie the Fair Park Indians for the championship of North Louisiana.

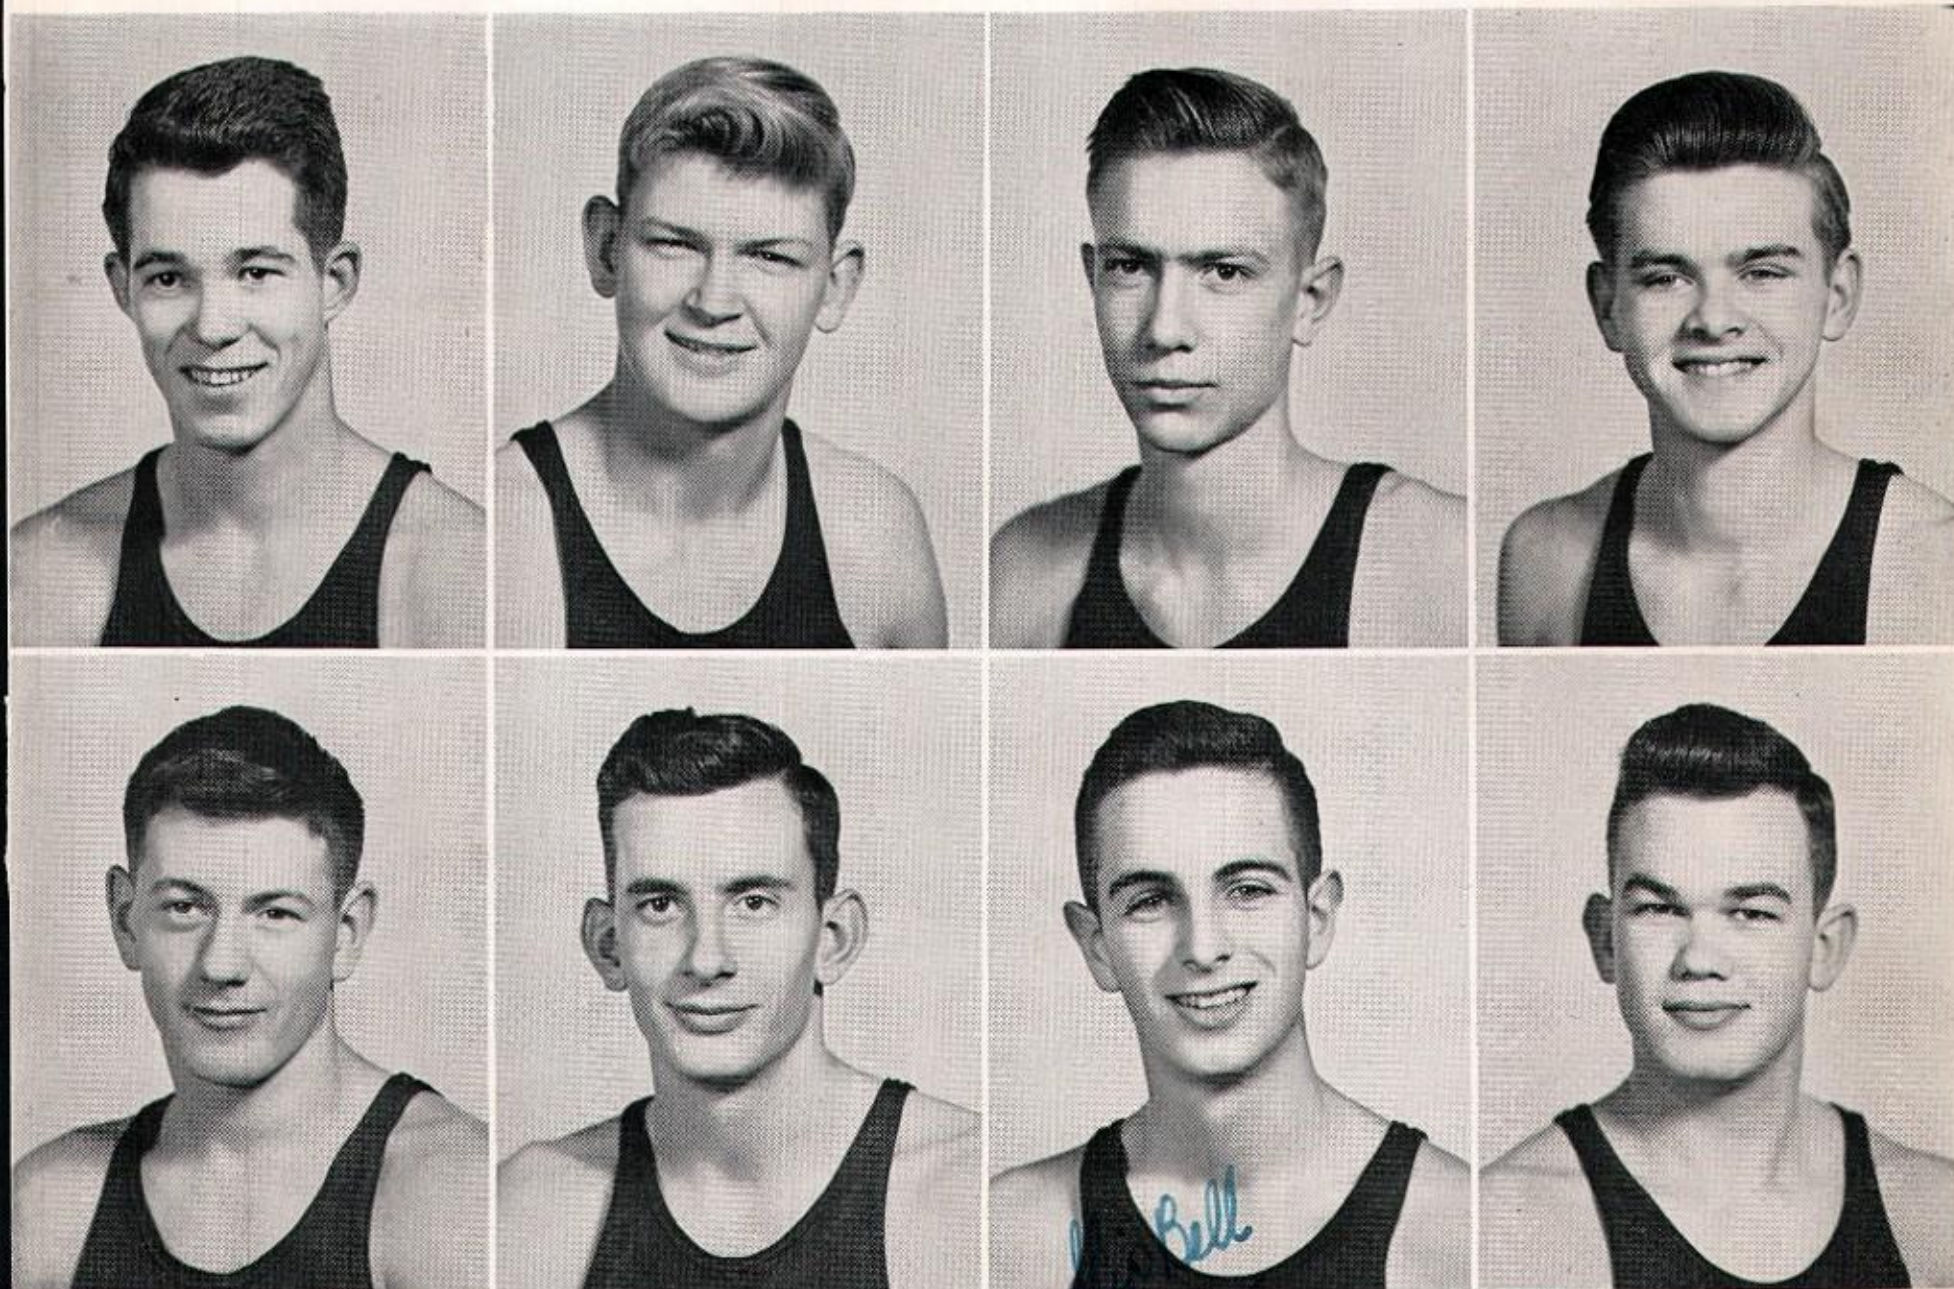

The Lions fielded a well balanced team with Harold Davis, Walter Bennett, and Edward Maroney working on the outside. Under the goals were Johnny Grantham and Gene Greer pulling in the rebounds for the Ouachita team.

Although the team qualified for the state tournament held in Natchitoches on March 7 and 8, they were eliminated in the first round of state play by the Bolton Bears, 66-45.

Girl's Basketball

The Ouachita Parish High School girls' sextet will reign as champions of Louisiana Class AA basketball for the coming year. The Lionesses turned on the power in the State Tournament at Natchitoches to emerge undefeated and cop the state crown.

Under the direction of Miss Mary Lea George, assisted by Mrs. Natalie May, the girls showed consistent improvement throughout the year. Evidence of this was the fact that they were winners in six of their last seven games before going to state play.

Standouts at forwards were Brunson, Donald, and Dumas, while Hill, Phillip, and Brown did a creditable job in guarding the opponents. The girls ended the season with a 15 won, 7 lost record.

More honors came to the team as three members of the squad placed on the All State Team. Those making the team were Hill and Phillips at guard, and Dumas at forward.

Honor Society

Upholding its usual high standards, the Jack Hayes Chapter of the National Honor Society, in its three short years of existence, has filled a vital place in the activities of Ouachita.

Primary among the accomplishments of the chapter was the purchase of large mirrors for all the restrooms. This service, along with the publication of student directories and a Valentine's booth, was enjoyed and appreciated by the entire student body.

And Activities

Cheering the team on to victory, following them on the football trips, marching in parades, and planning the annual banquet were but a few of the activities of the Lionettes during 1951-52.

To maintain an 86 average and to have school spirit are the main requirements for membership. Sophomores, juniors and seniors are eligible.

Key Club

The Key Club, sponsored by the Kiwanis Club of Monroe, is one of the oldest and most active organizations in school.

The chief purpose of the club is service to the high school. In order to carry out service projects, the club must sponsor money making projects, most outstanding of which is the annual Key Club Minstrel.

The Latin Club is composed of those first year students who have made B during the first semester, all second year Latin students, and those former members who are still interested in the field. The programs are usually based on Roman history, customs, and mythology. While they are designed primarily for entertainment, many pertinent facts are learned in this way. Often the Latin Club holds its members through the four years of high school, thus keeping alive in those students their interest in Latin and allied subjects.

There is always the breaking of the pinata and the singing of carols "en espanol" during the Christmas season. Other Spanish holidays are observed.

The climax of the activities for the year is the annual Mexican supper held late in the spring.

The Roarer Staff wishes to acknowledge the invaluable assistance of Mr. and Mrs. Ed Hayman, of Ed Hayman's Studio, Mr. Darrell De Moss of the National Picture Company, Mr. Robert See of the Shreveport Engraving Company, and Mr. Robert Lynch of the Hurley Company in the publication of this year's Roarer.

We want to thank especially our advertisers of the Twin Cities and surrounding areas, for without their generosity the 1952 Roarer would not have become a reality.

To the administration, faculty, and student body we extend our appreciation for their patience and co-operation.

Best wishes
